Music & Lyrics by Rodgers & Hammerstein

In 1862 Siam, an English widow has been summoned by the King to serve as tutor to his many children and wives. Largely considered to be a barbarian by those in the West, the King seeks Anna's assistance in changing his image, if not his ways. With both keeping a firm grip on their respective traditions and values, Anna and the King grow to understand and, eventually, respect one another, in a truly unique love story. Memorable songs include: *Whistle a Happy Tune, Shall We Dance, Something Wonderful, I Have Dreamed*, and more.
